# Our Caregivers

## Our Family Helping Yours

At Coast Family Home Care, we

believe that our caregivers are the most important element in our clients' happiness and well-being. That's why our caregivers are carefully screened and have undergone extensive background checks before being considered a member of our family.

After joining our family our caregivers go through our exhaustive training and mentoring program as well as becoming bonded and insured. Rest assured that only the very best join the Coast Family Home Care family.
